OTHER PAYER BIN

When submitting a claim to PACE/CRDP/SPBP as the secondary payer, be sure the BIN entered in the primary claim is the same as the BIN entered in the COB segment.

Some software requires that you manually enter the BIN in the Other Payer ID field (340-7C) in the COB segment. If you fail to update *this field* (340-7C), even though you updated the cardholder's file with the new BIN and are submitting it to the correct primary payer, the previous year's BIN will remain in the COB segment and be submitted to PACE/CRDP/SPBP.

Unless the BIN used to bill the primary is the same as the BIN in field 340-7C, the claim will begin to deny on February 1, 2011.

Please contact your software vendor if you are unsure about the BIN that populates the Other Payer ID field, 340-7C.
