### Perforomist® Inhalation Solution

Effective, Monday August 26, 2013, Providers are advised that Perforomist® Inhalation Solution has been added to the PACE list of inhalation solutions that are billable to Medicare Part B. As with other Part B billable inhalation solutions, PACE, at the request of the provider community, does not deny the claim, but returns a payment of 20%.

In accordance with Program policy regarding Part B billable inhalation solutions, a Medical Exception may be granted if certain criteria are met.

Questions should be directed to Provider Services at: 1-800-835-4080.
