## PROVIDER BULLETIN

April 24, 2024

### UPDATE: Naloxone Copay Assistance Program

**Effective April 25, 2024**

**The Naloxone Copay Assistance Program will resume accepting claims for payment.**

- 1. The program will ONLY accept claims for individuals with other coverage that is paying on the claim.**

This Other Coverage Code (Field 308-C8) may be accepted for payment.

- 2 = Other Coverage Exists- Payment Collected
  - Other Payer-Patient Responsibility Amount (Field 352-NQ) must be populated for payment to be determined.

- 2. The program will pay up to \$50 on each claim.**

- Any remaining payment will be the patient's responsibility.

- 3. In addition to new claims with a date of service after the effective date of this bulletin, eligible claims which rejected with NCPDP Reject Code 591 "Plan ID Not Covered" during the time the program was paused, 2/7/2024 to 4/24/2024, may be resubmitted for payment.**

- Claims, not previously submitted during the dates the program was paused, should not be submitted for payment. **They will be subject to audit and reversed by the program.**

Additional processing criteria can be found on the PACE Web Portal at <https://papaceportal.magellanhealth.com> by clicking on the Pharmacist Tab. Select "Documents" from the Drop Down to access the D.0 Specifications OR select "Bulletins" from the Drop Down to access the PACE Provider Bulletin dated 1/25/2024.

**Please note: Funding for the naloxone copayment assistance program comes from the Pennsylvania Department of Drug and Alcohol Programs through a grant of funds provided by the federal Substance Abuse and Mental Health Services Administration (SAMHSA).**

Questions may be directed to Provider Services at 1-800-835-4080.
