REVISED D.Ø SPECIFICATIONS

The new SPBP1 Provider Agreement, Section I.N states:

“The Provider agrees to identify brand and generic drugs purchased under Section 340B of the Public Health Service Act of 1992 (340B) including sub-ceiling purchases authorized by 340B and those made through the 340B Prime Vendor Program by

- *submitting the Value 20 in the National Council for Prescription Drug Programs (NCPDP) Submission Clarification Code Field (420-DK) and*
- *enter[ing] the Actual Acquisition Cost (AAC) in the NCPDP Ingredient Cost Field (409-D9) and*
- *the Value 08 (340B/Disproportionate Share Pricing/Public Health Service) in the NCPDP Basis of Cost Determination Field (423-DN).”*

IMPORTANT: On audit, claims found to be coded incorrectly, for example Ø9 entered instead of Ø8 in Field 423-DN—BASIS OF COST DETERMINATION, will have the entire claim amount disallowed.

Revised Pennsylvania PACE and Ancillary Programs D.Ø Specifications have been e-mailed to all software vendors identified as being the vendor of record by SPBP providers. SPBP1 Providers impacted by the 340B proviso may wish to verify that their vendors have received these specifications and their staff is familiar with the Agreement by the August 1, 2014 implementation.
