HEPATITIS C DRUGS: REVISED

The following hepatitis C drugs have been added to the SPBP1 (ADAP) formulary.

NDC	DRUG	STRENGTH
00003021301	DAKLINZA	30 MG
00003021501	DAKLINZA	60 MG
61958180101	HARVONI	90MG-400MG
59676022528	OLYSIO	150 MG
61958150101	SOVALDI	400 MG
00074308228	TECHNIVIE	12.5-75 MG
000074309328	VIEKIRA PAK	12.5-75-50

Each of these drugs will deny with NCPDP Error 78: "Cost Exceeds Max."

The previously announced policy has changed. Providers receiving this error message should call Provider Services at 1-800-835-4080 at which time they will be asked:

- to confirm the cardholder's name and the medication
- the prescriber's name and phone number.

Upon receipt of this information, a Medical Exception will be entered.

Questions may be directed to Provider Services at 1-800-835-4080.
