### **Reinstatement of the Early Refill Edit**

**Effective March 11, 2021, the Early Refill Edit for the Special Pharmaceutical Benefits Program<sup>1</sup> (SPBP1/ADAP) will be reinstated.**

**The utilization threshold is being lowered from 85% utilization to 75% utilization before a refill is allowed.**

- **If a rejection for Early Refill (NDPDP Reject Code 88- DUR Reject Code) is received, the pharmacy must contact the helpdesk to determine if an override is able to be completed.**

**Questions may be directed to Provider Services at 1-800-835-4080.**
